With Sally

Time, time, time! The golden minutes fly like sands in the sea, and still a forlorn, small voice keeps telling us we are missing the vanishing streetcars and the slithering deadlines and Charlie McCarthy's Sunday program. Ah, Time, Where is Thy Sting?

p. s. we were reading poetry last night. Isn't poetry wonderful?

People are always talking about **Hard Times** or **The Time of My Life** or **Come Up and See Me Some Time**—so we think it is **High Time** that some one sat down to think about it.

Like people who talk about **Old Times** when daguerreotypes in purple velvet were in style, but **Now Is the Time** to get modern photographs from Dale A. Hovey, who can make you look as if you were **In the Big Time.**

So since **Time is on the Wing,** we must **Keep Up With the Times,** and what better way to do it than to send your coat to Beeson Cleaners, get a lovely new fingerwave from Martha's Beauty Shop and buy one of those tempting boxes of frozen strawberries from Farmers Market. **There Is No Time Like the Present.**

Time is Money, too, we've heard; and that is why we're going down to Lucca Ravioli's in the **Shortest Possible Time** to pick up some of their home-made raviolis at 25c a box.

It's true we haven't **Time Enough to Breathe,** but while we are down there, it will be **Worth Our Time** to stop at Geneva Bakery for a fragrant mince pie, while **There is Still Time** to save our husband from divorce.

Time Marches On and that will ruin eggs quicker than anything. So why don't you **Take Time Out** to stop at Robertson's Egg Store, where farm products are sold while they're fresh instead of just in the **Nick of Time?**

The Time is Ripe for we don't know what; but anyway, did you know that avocados are ripe at

Royal Neighbors Plan Big Whist

This evening will see a big whist party at Eagles hall, which will be sponsored by Vista Grande Camp No. 6035, Royal Neighbors of America.

A cash first prize and many other valuable awards are expected to attract a large crowd. Mrs. Grace Coolish will be chairman.

Playing will begin at 8:30 p. m. and the general public is cordially invited to join the game.

Guests Are Welcome

In all Mohammedan countries, hospitality is the strongest instinct, a tenet of religion even, and they have a pretty proverb which, being translated, runs: "A guest is a present from God."

Wesley's Night Cap

Nearly 200 years ago John Wesley left his favorite white cotton night cap in an inn at Newton Abbot, England. The innkeeper's family treasured it as an heirloom, but has now sent it to the Wesley museum.

Rosebud's Grapevine

A single grapevine in Rosebud, Texas, covers the entire side of a building and is half a block long.

Life of Famous Clown

Toto, the famous clown, whose real name was Armando Novello, was born in Geneva. He became an entertainer of note on the continent, specializing in pantomime and performed before Czar Nicholas of Russia in 1911 and Kaiser Wilhelm in 1913. His American debut was in "Hip, Hip, Hooray," the Hippodrome spectacle of 1915. He returned to Europe for several engagements, making his final royal appearance before King George V and Queen Mary in 1931. He died in the Bronx hospital in New York on December 15, 1938.

Proper Electrical Service

The home owner, when buying electrical equipment, is cautioned by the Federal Housing administration to bear in mind the type of electrical service he is to receive, as many electrical appliance usable on direct current will not operate on alternating current. Localities where direct service is supplied are declining, but it is still a factor.

German Riviera

Don't let a quiz fan catch you on this one: Where is the German Riviera? Travelers say it is at Honnef, not far from Bonn, on the Rhine. It has the best climate in Germany and enjoys spring two weeks earlier than elsewhere in the country.

Daly City Cut Rate Market this week?

And why not **Have a Nice Time** at the Daly City theatre tomorrow night, when Bette Davis' new picture will be shown here for the **Last Time?**

We see a look in the Editor's eye that means **Time to Stop** but we haven't told you yet about the beautiful new rugs at Metropolitan Appliance company, which are so easy to take care of that you'll have **Time on Your Hands.**

Because **Time Flies,** we want to stop at Milo's today **In Plenty of Time** to buy some Sweetheart soap at special prices—to say nothing of caramels, spare ribs and such.

For the Time Being, we've only one wish in our heart, to own one of those new sandwich grills at Byrne's Radio Store . . . "Next Time" says John; and if he doesn't mean it we won't care if he's **Doing Time** at Alcatraz.

Time to Get Up is what bothers us; but what nicer way to greet the morn than with a stack of hot cakes and fresh black coffee from Westlake Market?

Time Waits for No Man and neither does a car that needs a change of oil, so don't forget Stan's Standard Station to avoid **Troublesome Times.**

Have a Good Time down at Dave's Market this week picking out all the wonderful specials you'll find there **This Time.** The **Correct Time** is just one-half minute past **Time to Get Started!**

The Editor will have to pay the linotype operator **Time and a Half** if we do not realize it is **Quitting Time** soon and leave everything else for **Another Time.**

But John says for the **Time of Your Life,** serve Vireno's special liquors at your parties and all your guests will have a **Wonderful Time.**

And on the shores of the Sea o **Time,** to say nothing of the Pacific, it is very chilly, so don't forget to order some fine-grade coa from H. H. Smith, during you **next Free Time.**

Ham and Mushroom Croquettes

pan hot...crispy brown...and tender

by Dorothy Greig

THERE'S nothing namby pamby about these croquettes. They exult in keen relishing flavor. That is partly because they are made of ham, in itself one of our most flavorsome of meats.

To that is added the velvet creaminess of condensed cream of mushroom soup with its fullness of mushroom flavor, finely chopped eggs and seasonings. Let us roll, dip and quick fry our croquettes to hot brown crumb crispness. Then serve them in all their fork tenderness to the ones that we love best.

The Croquettes

1 can condensed cream of mushroom soup
6 hard-cooked eggs, finely chopped
1 teaspoon salt
½ teaspoon Worcestershire sauce
½ teaspoon prepared mustard
1½ cups soft bread crumbs
1 cup ham, finely chopped

Combine the salt, Worcestershire sauce and prepared mustard with the chopped eggs. Heat the cream of mushroom soup and add the chopped eggs (with seasonings), soft bread crumbs and chopped ham. Heat and cook 4-5 minutes. Chill for 2-3 hours. Mold into croquettes.

The Breading for Them:

Flour
Fine crumbs
1 egg, slightly beaten
2 tablespoons water

Dip the croquettes in a mixture of the flour and fine bread crumbs (⅓ flour and ⅔ crumbs), then in the egg mixed with milk or water, and roll in the fine crumbs at the last. Fry in hot, deep fat (365°-385° F.) for 2-5 minutes or until golden brown. Makes 8 croquettes.

Thanks a Lot!

For donating nearly $900 to the Siamese army for the purchase of a machine gun, Sathier Nutaradashna, a prisoner in the Bangkok jail, has been thanked by the government for his "patriotic action."

Frog Business

Frogs give every indication of eventually becoming "big business" in the West. One company capitalized at $200,000 has filed articles of incorporation for the opening of 20 frog ranches near Modesto, Calif.

Milk on the Hoof

In Sicily there is no milk problem for visitors daily see milk delivered "on the hoof." Goats are driven to one's door and their milk is drawn from them before the customer.

For the whole Bible, the total is 1,189 chapters, 31,173 verses, 774,746 words, and 3,566,480 letters.

First School Sports

The first regularly organized school athletic meeting of modern times was that promoted by the Royal Military Academy at Woolwich, England, in 1849.

Mystery of Lake's Color

A score of scientists have arrived at Ivrea, Italy, to try to solve the mystery of a lake which changed in color from blue to red overnight. Lake Sirio, one of a group of seven lakes in the Ivrea region, not only turned redder and redder hour by hour, but it also became much "stickier."

Cinnamon Rolls for Breakfast Made with Fast Granular Yeast

Ask what is more appetizing for breakfast than fresh baked rolls, and many a homemaker will tell you—fresh baked cinnamon rolls. Serve them once and the family won't let you forget them. You can bake them the day before and whisk them into the oven in the morning for a quick warming through. It takes no more time than toast.

Pour 1 package fast granular yeast into ¼ cup lukewarm water, add ½ teaspoon of sugar, stir and let stand 5 minutes. Scald 1 cup milk, add 1 teaspoon salt, and let cool. Cream together ½ cup butter and ½ cup sugar, and add 1 egg, well beaten, and ½ teaspoon ground nutmeg. Measure 2 cups sifted flour into mixing bowl, add the lukewarm milk and softened yeast. Beat smooth, add the butter mixture and beat again. Thicken with enough more flour to handle (about 3 cups). Knead into a smooth dough, keeping it as soft as can be handled without stickiness. Let rise until doubled, fold dough down, and let rise again until light.

Turn dough onto floured board. Roll into a sheet ¼ inch thick and about 24 inches wide. Brush with butter and sprinkle with brown sugar and cinnamon.

Roll up as for a jelly roll, pressing last edge down firmly.

Cut into one-inch slices and place them, cut side down, in greased pan. Brush tops with butter. Let rise until doubled.

Sprinkle with sugar mixed with cinnamon, bake about 25 minutes in moderately hot oven, 375° F.

Italian Popes

Italy is the native country of 214 of the 261 popes.

Banana Exports

Bananas are the principal export crop of Costa Rica.

African Military Training

Although Tanganyika is not supposed to train natives for military purposes, the government has decided to form a police reserve composed of Askaris and any other Africans who wish to join. In time of emergency they will be incorporated in the regular police force.

Religious Painter

Luis de Morales, the famous Spanish painter, was called El Divino because of his emotional religious paintings. His favorite subjects, Ecce Homo, Pieta, Christ at the Column and Mater Dolorosa, were repeated many times and often copied.

We'd like to submit this alluring pose of Paulette Goddard as the still of the week. It shows Paulette as she appears in the role of the French-Canadian girl in Cecil B. DeMille's new Technicolor production "North West Mounted Police" with Gary Cooper and Madeleine Carroll heading a notable cast. This lavish DeMille epic will be presented by Paramount Sunday at the Daly City theatre.

Gunpowder Plot

The famous gunpowder plot of history occurred when Guy Fawkes entered into a conspiracy to blow up the king, his ministers, and the members of both houses of parliament on November 5, 1605. His plans were discovered after he had placed barrels of gunpowder in the building and prepared them for ignition. He was tried, tortured, and publicly executed in 1606. Parliament set aside November 5 as a day of thanksgiving known as Guy Fawkes day, which continues to be celebrated in some parts of England.

Flounder Houses

A flounder house is a house with one wall entirely blank, built against a party line, and a single pitch roof sloping downward toward the opposite, lower side, thus shedding water on the owner's property. This type was often used for the rear extension of residences. They were built during the Eighteenth century. There are some of them now in Alexandria and Philadelphia.

Volcanoes for Visitors

Stromboli, the volcano of the Italian Lipari islands, provides visitors with virtually continuous activity, providing hourly or two-hourly eruptions, of enough violence to give tourists a few moments of thrill as the glowing lava is shot up from the core of the earth.

Peanut Prosperity

Thousands of pigs are now rooting for a living in the peanut fields of the South, declares the Country Home magazine. Farmers around Headland, Ala., grow one acre each of grass, oats and soybean pasture, and 5 acres of peanuts for every sow and her two yearly litters of pigs. The only additional requirement is 10 bushels of corn and 150 pounds of mineral supplement to finish fattening the porkers. Disease is avoided by having no permanent hog houses and no permanent shade. Temporary shelters are provided in hot weather, and temporary windbreaks when it is cold.

Stockings for a Queen

Weaving is one of the oldest arts, but knitting was not discovered until about 1400. Some 200 years later, Rev. William Lee of Nottingham, England, invented a knitting machine. He knit a pair of stockings for Queen Elizabeth but she was reported as disappointed because they were coarse. Rev. Lee then perfected a new machine, and knit the queen a pair of silk stockings.
